I am amending the April Quarterly Report (3/25/04-3/31/04) to remove the contribution from John Beckelhymer in the amount of \$1,000.00 and the contribution from J.R. Hurd also in the amount of \$1,000.00. Both of these contributions were originally reported as being received on March 25, 2004. Upon inspection of the original documentation, I found that these two checks were both received on March 5, 2004. I have amended the 12 Day Pre-Runoff Report (02/29/04-03/24/04). It has always been my intention and the intention of the committee to file correct and accurate reports.
